

LOYALTY REWARD APP

Tracks Visits, Reward Customers

Many local businesses lose loyal customers due to lack of tracking.

How the Loyalty App Works

Enter Phone Number

Customer gives their phone number.

Check Database

App checks if they're new or returning.

Update Visit Count

If returning, increase visit count.

If new, add to system.

Reward After X Visits

App alerts when it's time for a reward!

Empowering local hustles with easy techt
